HEALTH and SAFETY STATEMENT

As the organisers of the 2020 Ash Friends of Shooting Star Children's Hospices Family Fun Day at The Aldershot Traction Club, the Ash FOSSCH wish to ensure not only that the site is safe & without risk to anyone but also that safe working practices are maintained at all times.

This includes not only our own helpers but also contractors, exhibitors & members of the public.

Exhibitors & contractors in turn have a duty under the Health & Safety Legislation to ensure that both they and all personnel, contracted by or simply assisting them, are aware that they have a responsibility for the health and welfare of all employees & that any equipment or systems of work which may be used are, so far as is reasonably practicable, safe & without risk to health. You must therefore observe relevant Health & Safety requirements and adopt the best practice. Health & Safety is mainly common sense and the organisers wish you a happy & enjoyable event.

For your assistance there will be an Ash Friends of Shooting Star Children's Hospices Health & Safety Representative on site throughout the day. In the event of any accident/incident on site, please report immediately to a member of the Ash Friends of Shooting Star Children's Hospices to report the accident/incident.
